

VS300

PREMIUM WALL STAND

The DEL MEDICAL VS300 wallstand is an easily positioned and secure housing for imaging receptors such as film, CR and all cassette sized digital flat panel detectors. The precise counterbalanced mechanics allows for an effortless and smooth travel of 56.5" from the floor. Soft touch, antimicrobial PA and multi-positional overhead handgrips aid in patient positioning and stability, while the flexible vertical drive positioning handle and conveniently located electromagnetic lock releases reduce technologist wrist strain and fatigue.

Key Highlights

Electromagnetic Locks

- Conveniently placed control buttons are positioned on the side of the receptor cabinet

Ergonomic Release Handle

Side-Mounted and Overhead Patient Hand Grips

- Conveniently placed hand grips to prioritize patient comfort and satisfaction

Vertical Travel Range of 56.5"

Available with 17" x 17" (43 cm x 43 cm) Grid Cabinet or Bucky and a Wide Selection of Grid Options

Cable Concealment System
